# The Great Sauces

## BANGOR

QUALITY AND VARIETY IN THE CONTAIN, PLUS FULL DESIGN AND PERFORMANCE IN THE CONTAINER

Aliminter, as sauces specialist, introduce the new and modern system in sauces for food service: THE POUCHES BANGOR.

Our BANGOR sauces are produced with the highest quality, according with market demand, and at the same time offer a great number of features.

Some of these are:

*Maximum  
Higien*

Easy to manipulate, the product has not any contact with any external element, therefore no contamination.

*Guaranty*

They are packed without air, to assure longer life

*Profitability*

With 98% yield, you reduce wastes

*Security*

Strong, flexible, and transparent, to better see the product without risk of breakage

This new system include a reusable snap-cap suitable for a manual dosing. You can dispense with it, any type of sauce right from the same container and in the right dosis

**With the snap-cap plus the nozzle**

# Clean and Easy to handle

1. To place the snap-cap

2. To press till the snap-cap fit-in

3. Dispensing with the snap-cap

Dispensing with silicone nozzle

Dispensing with extension pipe + silicone nozzle

## dosing with dispenser

This new system also offer you the possibility to dose sauces by an efficient dispenser. Thanks to a clean and easy to handle system, the pouches BANGOR will be able to be used by the staff and the consumer with maximum yield, simplicity and protection for the product.

1. To place the pump and pinch on the fitment

2. To introduce both in the dispenser

3. To close the lid (first front part)

4. To press the handle for dispensing
